pursuant to 37 C.F.R. 1.10,
by Francis Boyle

This submission has been served upon the applicant in accordance with 37 CFR 1.248.

Proof of service is attached.

This submission is after the two months from the time the application was published because:

1. The publication of the application only became known to the third party submitter on or about January 30, 2004; and
2. The U.S. patent issued on December 16, 2003, which was after the two month period had expired and therefore could not have been submitted within the time period.

Respectfully submitted,

Brian S. Myers
